This is an estimate and does not constitute a binding offer of insurance. Actual crop insurance coverage and premiums may differ based on final variables which include, but are not limited to; high risk acres, written agreements, supplemental rates, actual production history, options, acres planted, units, and Practice/Type/Variety.

If the Farm Service Agency determines that the policyholder, or a substantial beneficial interest holder in the policyholder, is ineligible for premium subsidy as a result of any violation of 7 CFR Part 12 (Conservation Compliance), including, but not limited to, failing to file any required AD-1026 Form by the premium billing date, the policyholder may be required to pay the Total Premium rather than the Producer Premium.
